JACK BENNY THE 'FALL GUY'

And who can blame Jack when the lady happens to be Dorothy Lamour? The scene takes place in Paramount's gag-studded hit, "Man About Town," opening Sunday at the Fox Sequoia Theater, in which Jack, as an American theatrical impressario, indulges in amorous nonsense with an English lady to try to win the heart of Miss Lamour.

Federal Jury Names 15 Men, 7 Companies

Violation of Sherman Antitrust Act Laid To Paper Firms

Seven firms and 15 individuals, including three prominent Peninsulans were indicted Wednesday in San Francisco by a federal grand jury which charged violations of the anti-trust laws in connection with the manufacture and distribution of newsprint paper on the Pacific Coast.

Among the 15 officers and employes of the corporations indicted were Louis Bloch of Middlefield Rd. and Fair Oaks Lane, Atherton, chairman of the board of Crown Zellerbach Corp.; Isadore Zellerbach of 175 West Bellevue Ave., San Mateo, chairman of the executive committee of the corporation; Thomas McLaren of 301 Richmond Rd., Hillsborough; James D. Zellerbach, Harold L. Zellerbach, Archibald B. Martin, Richard A. McDonald and Gerald E. Young, all San Francisco officials of the same corporation.

Also indicted were Harold S. Foley, Sheldon D. Brooks and Robin Bell-Irving, all officers of the Powell River. Co. Ltd. of Vancouver, B. C.; William Barclay, manager of the Powell River Sales Co. Ltd., Vancouver; John H. Smith and Arthur D. Hosfeldt, both of Portland, of the Hawley Pulp and Paper Co.; Chester A. Buckland, Millwood, general manager, Inland Empire Paper Co.

OFFICE IN SAN MATEO

Firms named are the Crown Zellerbach and Zellerbach Paper Companies of San Francisco, who have an office in San Mateo; a Crown Zellerbach subsidiary, the Pacific Mills Ltd., Vancouver; the Powell River Co.; the Powell River Sales Co.; the Hawley Pulp and Paper Co. and the Inland Empire Paper Co.

The three Canadian corporations were accused by the government of entering into a combination and conspiracy with American manufacturers to fix prices for newsprint paper in the United States.

In general, the indictment charged violation of the Sherman Antitrust Act, alleging that the defendants entered into an unlawful combination and conspiracy in interstate and foreign commerce to fix prices for newsprint paper.

TARIFF ACT ALSO

The indictment also alleged violation of the anti-trust provision of the Wilson Tariff Act of 1894, charging a similar combination and conspiracy to increase prices in the United States for newsprint paper manufactured by the Pacific Mills Ltd. and the Powell River Co. Ltd. in Canada and imported into the United States by certain of the defendants.

The grand jury began the inquiry early in June. The case was presented by Fowler Hamilton, George Alt, Robert Diller and Victor Kramer, special assistants to Atty. Gen. Frank Murphy in Washington.

A general inquiry into activities of the newsprint industry in the United States is now in progress under direction of Asst. Atty. Gen. Thurmon Arnold.

YES, HE GETS NO TICKET

Maintaining a speed of 40 miles an hour in this old 1904 Buick, Tom Sharkey, famous pugilist of former years, and his motoring party have demonstrated to a skeptical police officer on the San Francisco-Oakland bridge that the 35-year-old automobile is capable of meeting the speed and operating requirements of the bay span. So, instead of a ticket, the former ring champion gets the patrolman's congratulations on the fine performance of the ancient car.

GRIFFIN AND COMPANIONS DEPART FOR STUDY OF NATION'S 'THIRD'

Off on their tour to get the "inside dope" on the nation's "ill-fed, ill-housed and ill-clothed third" went Frank J. Griffin, Merlin Petersen and Arnold Rose Wednesday.

Having actually begun their trek yesterday by studying the apricot situation in the Sunnyvale vicinity, the trio, traveling by automobile, will visit the fruit pickers of the San Joaquin Valley tonight, then the hobo jungles of Fresno, before taking the southern route to Arkansas and the Ozarks. Then they will travel through the South for a look at the Negro problem, tenant farmers' difficulties and those of "po' white trash."

Going up the Eastern coast, the group will take in the New York World's Fair before returning home via Kentucky, arriving back in Redwood City by the opening of school Sept. 5.

Griffin is carrying both a movie and still camera to take pictures for use in lectures which he will give upon his return.

On the trip, Petersen, 18-year-old Sequoia senior and son of Mr. and Mrs. George H. Petersen of 27 Reese St., will be "chief engineer" in charge of maintenance of Griffin's machine. Rose, also 18, a Sequoia graduate and son of Mr. and Mrs. George W. Rose of Marlborough Ave., will be "culinary department manager."

Griffin, Sequoia High School physical education director, besides being the "big chief," or something of that sort, will be the correspondent, writing of the experiences of the three for the Redwood City Tribune.

His first article, "Not So Sunnyvale," will appear in the Tribune soon.

Four Shots Halt Gasoline Theft Suspects Here

Abandoning their getaway attempt after Police Officer Cole V. Stafford fired four shots at their fleeing car, two young men were arrested early Wednesday at Broadway and Chestnut St., Redwood City, and jailed on charges of stealing gasoline from the Union Oil station at Broadway and El Camino Real.

The men are Joe Cunha, 24, a Salinas farmhand, and Marvin A. Walwick, also 24, a clerk who gave his address as 1754 Mission St., San Francisco. The specific charge against them is petty theft, sworn to by Ed Vallier, attendant at the station.

The service station is the same one at which an attempted holdup was thwarted May 5 when Bernard Wiedman, 56, was frightened out of robbing Attendant Parry Annis and then was captured in a wild chase to Menlo Park.

SAME IN SAN MATEO

According to Police Chief C. L. Collins, the two youths drove into a San Mateo service station a few minutes before arriving in Redwood City, ordered gasoline and then drove off without paying.

As a result, a radio warning was broadcast to all Peninsula police departments. When the youths ordered five gallons of gasoline here and then drove out of the station without paying, they started down Broadway toward Bayshore Hwy. at an excessive rate of speed, according to police.

Policeman Stafford and Special Officer Philip Bray, in one patrol car, and Gordon Keller, in another, gave chase.

FIRES FOUR SHOTS

When the pair refused to stop with the usual siren warning, Stafford leaned out of the window and fired four shots at the rear of the sedan. The first two missed, but the third and fourth bullets penetrated the trunk on the rear of the machine. Walwick, driving the car, then pulled to the curb.

Graef Is Advanced By USPHS Agency

After 22½ years of service in San Mateo County in rodent control work for the United States Public Health Service, William J. Graef of 1217 Harrison Ave., Redwood City, is being advanced to a mobile unit. Although he will continue to make his home here, where he lives with his wife and children, Virginia and William J. Jr., Graef will travel considerably in his new position.

World's Fair Trip Prize in Contest

Offering a $600, all-expense trip for two people to either the New York World's Fair or the Golden Gate International Exposition—and 137 additional prizes making a total prize value of $5150—Acousticon, division of Dictograph Products Company, Inc., New York City, today announced a national Name "Your Magazine" Contest, open to everyone except employes of the company and its representatives.

The prizes will go to persons who submit suitable names for a new private magazine, published by Acousticon and distributed without charge to its customers and others interested in better hearing for the deafened.

Simultaneously, the company is introducing a new Gold Medal line of Acousticon hearing aids. According to company officials, these new Acousticons embody amazing new standards of tonal quality, clarity, and distance pick-up. They are designed to bring to the deafened "tomorrow's hearing today."

Second prize in the contest will be $250 in cash. Third prize of $100 and fourth and fifth prizes of $50 each, are other major cash awards. There will also be ten cash prizes of $10 and many valuable product awards.

Official entry blanks and complete details of the contest may be obtained from 445 N. First St., Suite 8, San Jose.

SUES OVER BELMONT MISHAP

Damages of $23,080 were asked in a suit filed in superior court here by Joyce Batterton, daughter of Mrs. Berniece Batterton, former Belmont newspaper publisher, against James I. J. Rossetti for injuries suffered at the newspaper plant when the Rossetti car allegedly struck her parked machine and ran over her.

All-Time High Hit By Bank's Deposits

Continuing its consistent growth, American Trust Co. reports deposits at an all-time high.

The bank's statement, as of June 30, reports deposits of $284,707,-4765.46, a gain of more than 18 million dollars over the corresponding date of last year, and an increase of more than 11 million dollars in the past three months.

Resources are currently $314,-195,941.26, compared to $296,090,-092.06 a year ago, and $303,907,-227.17 on March 29 of this year.

Loans show a slight increase over a year ago and a slight decrease as compared to March 29 of this year. The present total is $130,975,100.15, compared to $127,-194,667.32 on June 30, 1938, and $132,847,635.06 on March 29, 1939.

Cash is $59,524,417.33 as compared to $68,265,876.66 a year ago and $58,234,666.87 at the end of the last quarter.

Securities, including U. S. government bonds and notes, state, county and municipal bonds, and other bonds and securities, total $109,424,652.58 as compared to $84,-047,385.98 a year ago, and $98,-064,088.87 on March 19, 1939.

Funeral Rites Held For Gladys Hayes

Funeral services were conducted Monday in San Francisco for Mrs. Gladys Hayes, Emerald Lake, who died at her home Friday. She was the wife of Joseph C. Hayes and sister-in-law of John Hayes, connected with the State Board of Equalization at San Jose. She was the mother of Mrs. Frank Podesta and Jack Nightingale, sister of Mrs. Roy A. Lee, Mrs. Godron J. Romey and Carlos Walton, and grandmother of David Podesta. She was a native of San Francisco. Interment was in Santa Clara.

Maybe playing on home grounds helps a team. But in 43 of the 83 shutouts in the National League last season, the home team took the beating.

Hayfields Fired On Jefferson Ave.

Firemen from both the Redwood City and San Mateo County Departments Wednesday brought under control a fire which blackened some 30 acres of grass and hay on both sides of Jefferson Ave. at Alameda de las Pulgas, Redwood City, burned two stacks of baled hay, scorched trees and power and telephone poles, and endangered a half dozen houses, one of which was surrounded by the blaze.

The blaze started on the north side of the road and, fanned by a stiff breeze, jumped the thoroughfare.

The county department also answered a blaze shortly after 2 p.m. in Purissima Canyon on the Coastside where a hay stack, on the Alvin S. Hatch ranch burned.

Shortly before 3 p. m. the Redwood City department was called out to fight a shed fire near Jefferson Ave. and Myrtle St.

An airplane will be used in missionary work in Borneo, allowing workers to reach areas never before penetrated.

CONTINUED SUPPORT ASKED FOR COUNTY FIESTA AND SFPI

Pleas for continued support for the San Mateo County Fiesta and for San Francisco Peninsula Inc. were the only budget matters heard by the board of supervisors Tuesday morning. Jack Crown, appointed to represent the San Mateo Central Labor Council, asked in the name of organized labor that the $10,000 Fiesta appropriation and the $18,000 SFPI appropriation be continued not only for the current fiscal year, but in future years.

"Organized labor gets thousands of dollars in wages from the fiesta," he declared. "We believe that 90 per cent of the people who come to San Francisco in search of homes land in San Mateo County. The fiesta, plus San Francisco Peninsula Inc., has brought many thousands of dollars in benefits to the county, and we ask that the appropriations be continued this year and in years to come."

Supervisor H. H. Smith advised Crown that the fiesta appropriation was assured for 1939-40, and that the only discussion before the board was whether or not it should be continued in future years. T. J. Hallinan, president of SFPI, submitted statistics to show the value of SFPI advertising.

The hearing was continued this afternoon.

MENLO PARK NEWS

Desmond Sullivan, his father, John Sullivan, and James Keough of San Mateo motored to Los Angeles this week to look over the political field. Mr. Keough is president of the Young Democrats of California and is frequently mentioned for a federal post.

Tomorrow evening St. Joseph's Alumni will give a "Barnival" dance in the Menlo Park Picnic Grounds. A barn dance, side shows, concessions, like the San Francisco Golden Gate Exposition, will furnish enjoyment for all. A carnival spirit will prevail throughout this moonlit night. Come and enjoy this beautiful setting, where youth and beauty will reign supreme.

A baby boy was born to Mr. and Mrs. Terry Gidre at Santa Cruz last Monday. The mother is the former Rosemary DeBenedetti of San Mateo.

Last Saturday evening Miss Carmel O'Keefe and Miss Lorraine DeBenedetti were guests of Mr. and Mrs. Paul McNutt and their lovely young daughter at the St. Francis Hotel. Mr. McNutt is a presidential possibility.

Mr. and Mrs. John Aable, residing on Crane St., are spending a vacation in Southern California. Mr. Aable is connected with an iron works in San Francisco and is among the army of commuters from Menlo Park.

On Monday last a daughter was born to Mr. and Mrs. Jack Morey. Mrs. Morey is the former Edna Walker of Stanford Park.

Leo Dunn, up until recently a city employe, contemplates a trip through Mexico for the benefit of his health. Mr. Dunn is a World War veteran and only lately was discharged from the base hospital.

Father James Doyle, a professor at Loyola College, Los Angeles, was here during the week visiting boyhood friends.

Tuesday evening the following members of Menlo Parlor were guests of Palo Alto ND and NSGW when they held a joint installation: Mrs. Louise Murray, Eloise Rathje, Catherine Derry, Marie Rogers, Isabel Lindquist, Frances Maloney, Ethel Hara, Mary Sparks, Norma Gugliemoni, Annie Doyle.

Grand Pres. Orinda Gianni of the Native Daughters has appointed Mrs. John Murray of Menlo Park NDGW as deputy grand president to Vista del Mar Parlor, Half Moon Bay, and Miss Eloise Rathje to be deputy grand president to San Bruno Parlor, San Bruno.

Those who saw the fashion show and vaudeville recently given by Menlo Park NDGW say it was one of the best shows given in a long time.

CITIZENS' LEAGUE NOT 'VIGILANTES'

Emphasizing the fact that the recently formed Citizens' Protective League of the San Francisco Peninsula "has no intention of functioning as a vigilante group" in its efforts to secure better law enforcement, Lowry S. Howard, president, in a statement here explained the general purposes of the organization.

His statement follows:

"Frequently when laws are not enforced it is not the fault of the enforcement officers. The difficulty may well be found in the system of the particular city, county or state. The purpose of the Citizens' Protective League is to examine into the system. The aim is to co-operate with and not carp at our law enforcement officers and courts.

"More legislation is not the function of the League. The ideal will be to help enforce the laws we have. The law violators seem to be an organized minority and the citizens of the community apparently are playing the role of the unorganized majority. This is not the way of life as it should be in a democracy. The hope is that the citizens of our community will find in this organization an effective spokesman on the side of law and order. The group of organized people must grow to sufficient numbers to express properly the will of the majority. If it does this, the laws on our statute books will be enforced. It is well established that the people can have what they want if they want it sincerely.

"Much time and thought have gone into the planning of the Citizens' Protective League. There is precedent already established in St. Louis County, Mo., for this type of approach to law enforcement. The organization of the St. Louis citizens is now in its fifth year and it is considered permanent.

"The League has no intention of functioning as a vigilante group. The first movement is against law violation, especially as it concerns the welfare of the youth of our communities.

"As a group of citizens, we are not angry at any individuals, but we are opposed to the vicious system which permits practices that demoralize the youth. The average community is patient, perhaps too much so. If the people really want law enforcement they can have it. But they can't get it by just sitting by and criticizing the law enforcement officers.

"The Citizens' Protective League is against only the law violators. Persons engaged in legal pursuits have nothing to fear. The League is opposed to illegal gambling and sale of liquor to minors. It will work definitely against the renewal of liquor licenses that have once been revoked.

"It is a pity that there are people who strive to make their living from pursuits which demoralize a community. That is why there are laws for protection against them. If the laws we now have can be enforced, our communities will be better places in which to live. We hope that our majority citizenship can support the law enforcement officers and the courts so effectively that the youth of today will learn to carry on this support when they become the responsible citizens of tomorrow."

Two S. S. F. Firms Bid on U. S. Ships

SOUTH SAN FRANCISCO, July 12.—Entering bids with the Maritime Commission at Washington for construction of several financed C-1 type cargo vessels yesterday were two South San Francisco firms, Western Pipe and Steel Co. and Bethlehem Steel Co.

The local firms, among 17 bidders, were understood to have entered higher offers than some of the Eastern bidders. Greater expense for transporting materials was seen as one of the reasons for the difference.

Hope for revived activity at the South San Francisco ship yards lies in the fact that the commission holds the power to award bids on a basis of national defense advantages, without regard to cost.

Commissioners declared that some time would be required to analyze the proposals.

Move Revived For Project

Plans for establishment of an aeronautical research station at Moffett Field were revived in Washington today after Col. Charles A. Lindbergh Monday urged an appropriation of $10,000,000 for the project.

Returning to the capital after an inspection of facilities on the Pacific Coast, the famous flyer appeared before a house appropriations sub-committee which had previously turned down the Sunnyvale proposal.

Committee members, according to Associated Press, said Lindbergh indorsed the recommendation that Congress appropriate $4,000,000 outright and authorize contracts involving an additional $6,000,000 to establish a laboratory to help develop military and commercial airplanes of increased size, speed, and range.

Lindbergh testified as a member of the national advisory committee for aeronautics, which would have control of the research station. Representative Woodrum (Dem., Va.), a leader of the sub-committee, said Lindbergh compared the United States' military air strength with that of other countries, but that committee members had agreed to keep secret his testimony on this point. Woodrum said the committee had an open mind on the project, although the sub-committee had turned down a similar proposal, previously approved by the Senate.

Meanwhile at Sunnyvale, new rules for visitors and sightseers went into effect yesterday. One rule prohibits the use of cameras at the airbase. All cameras are to be checked at the main entrance. Visiting hours are 8 a.m. to 6 p.m. with salesmen and solicitors barred unless they obtain special permission.

Counsel Named For Pea Picker

Atty. Percy Jackson, who by court appointment has handled some of the county's most difficult defense assignments, was named by Judge A. R. Cotton late Monday to the gratuitous task of defending Jorge Q. Vidal, Filipino pea picker accused of murdering his Negro camp boss at San Gregorio June 6.

Judge Cotton declared that because of the seriousness of the offense, it was essential that an experienced man be assigned to the case. Vidal told the court his friends had been unable to raise funds to pay for counsel. The case was continued one week for him to plead.

Robert E. Shelton, San Francisco, accused of passing a worthless $10 check in Redwood City, entered a plea of guilty and asked probation. The case was continued to July 31 for a report.

Eric S. Lundstom, East Palo Alto, accused of driving an automobile after his license had been suspended, was fined $25 and admitted to two years' probation on condition that he refrain from driving an automobile until his license is restored.

Thomas H. Baird, San Francisco salesman, pleaded guilty to the charge of drunk driving with a prior offense. He asked probation and the case was continued to Aug. 7.

Exchange Club Favors League And Objectives

After hearing an explanation of aims and objectives of the newly-formed Citizens Protective League of the San Francisco Peninsula by Lowry S. Howard, its president, the Redwood City Exchange Club went on record unanimously Tuesday night as indorsing the organization and its work.

Howard, who is president of Menlo Junior College, declared that permanency of the league, as planned by its founders, would result in its becoming an effective force in aiding enforcement of laws, particularly those relating to liquor sales and gambling.

Many members of the club gave individual support by signing membership cards in the league.

Lindsay Howard Mum On Romance Rumors

Lindsay Howard, formerly of Hillsborough and a member of the prominent Hillsborough Howard family refuses either to confirm or deny rumors of a romance with Rita Johnson, Broadway and Hollywood actress.

The well-known Califonia sportsman, part owner with Bing Crosby of the Binglin stables, is at Suffolk Downs watching workouts of Ligaroti, a horse he owns jointly with the radio-movie crooner.

At Worcester, Mass., Miss Johnson's mother said that her daughter and Howard were "very good friends."

Howard and his former wife, Mrs. Anita Howard, were divorced last

Final Reports Are Prepared

Financial report on Redwood City's community fireworks and games celebration July 4, completed here by O. S. Oleson of the committee in charge, reveals that a net profit of $51.37 will be turned over to the recreation commission building fund.

Total donations and collections from the various concessions amounted to $309.77, according to Oleson's report. Expenses reached $208.40, the major portion of which was an expenditure of $185.40 for the lengthy display of fireworks in the evening.

Difference between the two sums was a profit of $101.37, but the recreation commission had advanced $50 to help put the program over, Oleson said.

$70 FROM CONCESSIONS

Principal amount in the receipts was $189.50 in donations by merchants and by the Redwood City Chamber of Commerce. Added to that figure were the $50 advanced by the recreation commission and a total of $70.27 in profits from the concessions.

Operators of the concessions were the Exchange Club-Juniors Mariners, Lions Club, Eagles and members of the committee, which included, in addition to Oleson, Chairman Charles Holt, William M. Werder and Alfred Morton. The three organizations ran the concessions on a 50-50 basis, Oleson said.

'It certainly was a pleasure to see the celebration go over so well," Oleson said. "Support from the merchants made it possible, and many of the city's youngsters had the time of their lives during the day. We have needed something like that for a long time, and I hope we can put over something just as successful next Fourth of July."

EAGLES RUN TWO

Oleson expressed particular gratitude to the members of the Eagles who conducted two concessions and turned over a total of $28.20. He listed members of the committee as C. L. White, Robert O. Petterson, Dennis McGuire, John Owens, Leonard Merta, Robert Wood, J. A. Roy, Frank A. Powell and Paul E. Lowe.

The following contributed, Oleson's report shows:

First National Bank, San Mateo County Building and Loan Co., Ryan Furniture Co., Chamber of Commerce, W. L. Cavanaugh, Montgomery Ward, F. W. Woolworth Co., American Trust Co., R. O. Petterson, California Market vegetable department, Bank of America, Ross and Ross, Robin Hood, Sadler Supply Co., Helen Marlow, 2030 Club, J. Elmer Morrish, Lock Drug Co., Redwood City Tribune, San Mateo County Title Co., Smithee's Soda Bar, Henry A. Beeger, Harvey Connor, L. P. Schmidt, James Hearne, Reinhard Jewelry Co. and Paul A. McCarthy.

Dance King

Kay Kyser, the man whose music "makes you want to dance," is bringing his snappy outfit to the Golden Gate International Exposition for one week beginning July 14. Beaming broadly, he admits it will be a thrill to play for a dance group in the San Francisco Bay area, his first dancing engagement in the vicinity in six years. Kyser will inaugurate the Treasure Island Music Theater, being the first name band to appear as a concert and a dance attraction at the fair.

Bid for Signal At Fifth Avenue Heard by State

The State Railroad Commission took under advisement Tuesday San Mateo County's petition that the Fifth Ave. crossing in North Fair Oaks be designated a public crossing, and that adequate warning signals be installed.

A hearing was conducted at the courthouse by Examiner Ward Hall.

R. S. Myers, attorney for the Southern Pacific Co., introduced testimony to show the crossing was privately owned and public only through use, and that the railroad was opposed to spending any funds for warning signals on privately owned crossings. He also told the examiner that the train traffic on the Dumbarton line, which crosses Fifth Ave., is night traffic operating on schedule at periods when vehicular traffic is smallest in volume.

Asst. Dist. Atty. Daniel E. Sullivan's first witness was C. A. Meinert of the North Fair Oaks Improvement Club, who testified that the majority of the residents of the area used Fifth Ave. to reach Bayshore Hwy. Under cross examination he admitted they could use Middlefield Rd.

County Engineer M. A. Grant presented traffic count figures to show that between 700 and 900 vehicles used the crossing daily. Andrew Spinas, Redwood City school superintendent, testified that two school buses used the crossing each school day.

The assessed valuation of property in the United States is estimated by the Department of Commerce at 139 billion dollars.

Near Riot Ensues As Motorist Cited

MENLO PARK, July 11—An arrest for reckless driving in Menlo Park precipitated a near riot and resulted in three other arrests Sunday night when a group of San Francisco men, returning from a nearby picnic, sought to interfere with the police.

It started when Officer Tom Kearney tagged Richard Driscoll for reckless driving. Another load of picnickers drove up, and one, Ralph Martinez, 30, a mechanic, threatened to start fighting and started to deflate the tires on the police car, the officer said.

Chief Foster Andrews and Officer Louis Nelson arrived on the scene, and the augmented force jailed Martinez, Frank Fortill, 20, and Lewis Paz, 28. Martinez, charged with disturbing the peace and tampering with an automobile, was released on $50 bail. Portilla and Paz were booked on drunk charges and freed on $10 bail each. Driscoll's car, confiscated because it was not fit to be driven on a public highway, was impounded and the driver was sent home.

Faso Is Liberated; Lodato Imprisoned

Over protests that he was being "railroaded" by his family, Joseph Lodato, 76, San Mateo, was sentenced to an indeterminate term in San Quentin Prison by Judge A. R. Cotton Monday on charges of shooting his son-in-law, Sam Lodato, with a shotgun April 11.

Liborio Faso, aged former Sequoia High School gardener jailed Dec. 12 for forging warrants, was released on motion of his attorney, Albert Mansfield, for modification of sentence. Faso was admitted to five years probation on condition he serve one year in jail and make restitution of $209. The jail term was commuted to time served, other provisions of the sentence standing.

Clyde Lutje, former Redwood City call fireman accused of incendiarism, was sentenced to 90 days in jail.

Fred Witschi-Miller, alias William R. White, convicted of passing worthless checks in Burlingame, was sent to San Quentin by Judge Cotton.

Assessment Survey Slated

Colma Soil Conservation District, comprising some 700 acres in the north end of the county, Tuesday afternoon became the San Mateo County Soil Conservation District of 1700 acres extending from Farallone City on the Coastside north to the county line and spreading from the ocean through the Colma valley area near the bay at South San Francisco.

County Engineer M. E. Grant presented a petition signed by 65 of 115 property owners in the district, representing 11,267 acres of the total acreage, for the board's consideration. the board received the petition, ordered it published and sent to the State Soil Conservation Committee.

Succeeding steps, Grant explained, are: (1) approval, already assured, by the state committee, (2) a protest hearing to be called by the board of supervisors, (3) formation of the district by the county board, and (4) election of a board of directors for the district.

Grant said he believed that, once formed, the district would receive federal aid and that the U. S. Soil Conservation Service would establish a camp in the district to start erosion control work. The area had been declared the "most spectacularly" eroded district in the state.

TO REAPPRAISE COAST

At the request of the board, Charles L. Mattfeldt, appraisal deputy for the assessor, said he would re-appraise Coastside farm lands and give a report Monday, last day the board of equalization may change valuations. Three owners of extensive agricultural lands appeared to protest present valuations.

Supervisor Fred E. Beer, acting chairman at the afternoon session in absence of Supervisor H. H. Smith, informed the board that the San Mateo Preventorium management was anxious to have its property taken from the county tax rolls. Asst. Dist. Atty. Daniel E. Sullivan said he had informed Mrs. H. S. Dana, president of the preventorium board, of the procedure to be followed.

Request of the San Mateo County Fair Association for an advance of $2500 of its $10,000 appropriation for 1939-40 was refused on advice of Treasurer A. H. Sagehorn, who ruled that the advance could be made only after the budget is adopted and the tax rate set.

MAY BORROW FUNDS

Supervisor Beer introduced a motion stating that the board would support the fiesta to the extent of $10,000 in the 1939-40 fiscal year. The motion was passed without comment, and it was understood that the fair association planned to use it as a letter of credit to secure an advance from a bank.

Recommendation of Executive Frederick Peterson that an assistant to the secretary of the recreation commission be hired for four months at $100 monthly, plus $250 for automobile expense, was referred back to the executive and the commission for action. A $2000 balance in the commission's funds may be used for the purpose, it was explained.

The additional employe, it was announced, is to survey all county beaches and other recreation areas and post them plainly as public property, and to serve as guardian of life and property.

Dividends Declared Again by R. C. Firm

Maintaining a record which was started 49 years ago, the San Mateo County Building and Loan Association has just declared and paid its semi-annual 4 per cent dividend on certificates of investment and on shares, according to Omar E. Doyle, secretary-manager. Throughout its existence, the firm, which will celebrate its 50th anniversary next May, has never missed paying dividends regularly, Doyle said.

$29,000 Sought To Boost County

Advertising and promotion of San Mateo County will account for a $29,000 tax levy in the 1939-40 county budget it was learned Tuesday from figures compiled by County Executive Frederick Peterson. The proposed appropriations will include $10,000 for the fiesta, $10,000 for the executives county advertising fund, and $9000 for San Francisco Peninsula Inc.

Peterson said he would cut SFPI's request by $3,200, after his original recommendation was referred back to him by the board of supervisors yesterday.

The executive explained that $21,600 was pledged to SFPI for the calendar year 1939 when last year's budget was made, the money to be paid in two installments of $10,800, one installment to be collected in 1938-39 taxes, the other in 1939-40 taxes.

Practically all of the 1939-40 installment, he said, has been advanced from the world's fair participation fund, discharging the county's obligation. To enable SFPI to continue its program to June 30, 1940, Peterson said he would recommend a new levy of $9000.

Members of the Civic League met with the board in private session yesterday. Main interest of th league delegation, it was stated, was to inspect the revenues estimated by the controller's office. Several upward revisions were recommended, it was learned.

The supervisors will meet in caucus Saturday morning to continue budget discussions, and hope to present a fairly complete picture of the maintenance and operations figures at next Tuesday's session, according to Supervisor Alvin S. Hatch.

A. J. Anixter Dies After Long Illness

A. J. Anixter, San Francisco business man who lived at 54 Third Ave., North Fair Oaks, passed away at 9 o'clock Monday night at Fort Miley Hospital after a lengthy illness due to a heart ailment.

Mr. Anixter, a veteran of the Spanish-American War, was 64 years of age. He had lived in Redwood City for a number of years.

Surviving relatives include his wife, Mrs. Emma Anixter; a daughter, Mrs. Percey Jones of Stockton, and the following brothers and sisters: L. K., Max, and Tillie Anixter, Mrs. Jack Morris, Mrs. K. M. Anderson, Mrs. M. Hubner, Anna Bland, and Cecile Bernal.

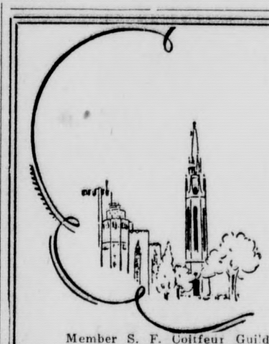

Committee To Plan Oil Firm Welcome

Appointed Tuesday afternoon by Pres. Joseph Territo of the Redwood City Chamber of Commerce were Sam H. Winklebleck, chairman; William M. Werder and J. A. Buhler as a committee to arrange a suitable ceremony when the Standard Oil Co. begins operations from Port Redwood City next week.

Date for the ceremony has been set tentatively as July 21, when the oil company plans to bring one of its newest tankers to the port to inaugurate its depot there.

The board of directors of the chamber favored extension of the San Francisco Peninsula Inc. advertising campaign through the first half of 1940.

President Territo was authorized to appoint a committee of three to investigate bus line problems on the Peninsula.

Opposition Is Told To Setback Proposal

Vigorous opposition to establishment of a 30-foot setback line along Bayshore Hwy. through Redwood City was expressed by nearly a dozen property owners Monday to the city planning commission, which heard the protests, then took under advisement the proposal of the state to have the setback fixed.

The matter likely will be discussed again by the commission at its Aug. 14 meeting, Chairman Henry Witte said afterwards. Should the commission decide that the setback should be established, a public hearing will be called, last night's session being an informal one to learn attitude of the owners. A representative of the state highway commission was present.

Particularly objectionable to some owners was the proposal of the state to establish an extra-wide setback line on the east side of the curve in the highway at the Jefferson Ave. and Main St. intersection. The eventual plan of the state is to straighten out the curve to some degree, by cutting off part of the concave side of the curve.

The planners decided to accept the invitation of the San Carlos City council to attend a discussion at a time and place to be fixed later of the proposed extension of Junipero Serra Blvd. through the western section fo San Carlos and other Peninsula cities including Redwood City.

Cement Train Goes Off Rails on Turn

Five cars of a train load of cement departing from the Pacific Portland Cement Co. plant were derailed at a turn in the tracks near the Plant Rubber and Asbestos Works at 5 p.m. Monday, and crews labored until 11 o'clock last night before the train was able to proceed.

Police Officer Clyde Genochio said railroad employes were of the opinion that the rails spread beneath the load. A special engine was dispatched from San Francisco to assist in pulling the cars back onto the tracks.
